Nicole Hordejan

Full-Stack Developer

Ascot, QLD, *4007* | *+61414945443*
nhordejan@gmail.com | https://github.com/peachnono

Full-Stack Developer and Computer Science student at Queensland University of Technology (QUT) skilled in web and mobile app development, UX/UI design, and collaborative problem-solving. Proficient in a range of programming languages and tools, with a passion for innovation and continuous learning. In my free time, I like to have creative outlets such as drawing, editing and creating layouts.

EXPERIENCE

PICK/PACKER   Aug 2023 - Present
Blue Bungalow
This is work for an e-commerce website for a women's clothing company that has a warehouse to fulfill orders.
- Exceeded KPI levels with 90 packs per hour in order picking/packing, demonstrating speed and reliability.
- Cross-trained in warehouse operations including dispatch, receiving, returns, and inventory management.
